About this Scheme of Delegation

Trust Context, Vision and Values

Lincolnshire Gateway Academies Trust (LGAT) has seven academies across Lincolnshire, North East Lincolnshire and North Lincolnshire with two new primary Free Schools set to open as part of the Trust in September 2025. The Trust was founded in 2012. The Trust has a large experience with re-start academies and has seen great success in turning around these establishments. To date, all academies are rated as 'Good' by Ofsted with the exception of Kirton Academy (formerly Huntcliff School) rated 'Ineffective' which has recently joined the Trust on 01/05/24.

The Trust has several layers of governance - the Members, Trust Board, Trust Board Committees, Executive Leadership Team led by the CEO and the Local Governing Bodies which provide academy-focussed challenge and support.

This Scheme of Delegation is underpinned by LGAT's **Vision and Values** of:

- **Collaboration** - our Trust is not an island. By working with parents, other schools, the community and local councils we can exceed what we can do by ourselves.
- **Respect** - we respect ourselves and each other. We respect our diverse communities of pupils, parents and staff.
- **Aspiration** - we are ambitious. We aim high for ourselves and for others. We believe that we can make a real difference to all those we serve.
- **Integrity** - we are honest with ourselves and each other. We do things for the right reasons. We are open and transparent in all our interactions with those we serve.
- **Service** - we are here to serve the families in our local communities through providing the best possible education.
- **Accountability** - we are directly accountable to our students and their families. We are also accountable to the communities in which our academies are located.

Summary of Governance Layers

Within LGAT, there are several layers of governance. The overarching role and responsibilities of each governance tier is as follows:

- **Members** - Members have responsibility for ensuring the purpose of the Trust is met, and for determining the Trust's constitution and governance structure. They are the guardians of the objects and governance of the Trust. Members have an overarching oversight role, but are referenced in their role to appoint Trustees and the external auditors. The Trust has 5 Members. The Trust's Articles of Association apply.
- **Trust Board** - The Trust Board holds ultimate legal **accountability** for all aspects of operational delivery, as well as being **responsible** for Trust policy and decision-making. The Trustees oversee the management and administration of the Trust and the academies run by the Trust and delegate authority and responsibility to others, including executive officers and academy leadership teams who undertake the day-to-day management of the academies. Key matters reserved to the Board include strategic direction, vision and values, and approval of the Trust's Development Plan, policies and educational targets. The Trust Board is supported by the Finance Committee, the Audit and Risk Committee, the Pay and Performance Committee, the Senior Staff Remuneration Committee, the Complaints Committee and the Pupil Discipline Committee.
- **Executive Team** - The Executive Team comprises: the CEO, CFO, Director of ICT & Estates, the HR manager, the Estate & Operations Manager, the Estate Projects Manager, the Director of School Improvement, the Executive Principal (Secondary) and Executive Principal (Primary). The Executive Team is **responsible** for the operational running of the organisation at Trust level and **supporting** Trust academies with academy level operational matters.
- **Principal** - the Principal is **responsible** for a range of operational delivery areas within their academy.
- **Local Governing Bodies** - The Local Governing Bodies (LGBs) are accountable to the Trust Board for ensuring that the Principals fulfil their responsibilities for educational outcomes for children and young people, safeguarding, health and safety and special educational needs. Scheme of Delegation Framework

The Trust Board hold the power to delegate certain authorities to other layers of governance in the Trust. This scheme of Delegation outlines how these delegations are made, to ensure clear and transparent governance arrangements. It aligns with the Trust's Articles of Association, internal Terms of Reference, and relevant Government guidance as issued by the Department for Education (DfE) and Education and Skills Funding Agency (ESFA). This Scheme of Delegation is written according to the '**RASCI**' framework, based on the various operational areas of activities at Lincolnshire Gateway Academies Trust. It outlines who is:

- **Responsible** for delivering the area of activity/decision in line with agreed academy policies
- **Accountable** for the area of activity/decision - this is usually the Trust Board as the legally accountable and liable body
- **Supporting** the area of activity/decision, which may be through practical support or supporting the detailed consideration of a decision
- **Consulted** on the area of activity/decision to receive feedback
- **Informed** of the area of activity/decision through agreed communications channels

Chair's Action

No individual trustee is empowered to make decision on behalf of the Trust outside any specific authority set out in this Scheme of Delegation. However, as an exception, the Chair of Trustees can make a decision as a single trustee which a delay in doing so would be

- Seriously detrimental to the interest of the Trust and any of its academies and
- it would not be possible to postpone the decision to a meeting of trustees.

In most cases, before taking Chair's Action, the Chair will ask the Board for their views. Chair's Action is a standing item on the Board agenda and any Chair's Action taken will be ratified at the earliest opportunity which will normally be at the next Board meeting.
